Dear Teachers and Staff,

Another Academic Session (2017-18) is on the way. The last Academic Session(2016-17) was definitely one of the most colourful events that the college had ever seen. Thank you so much for all the hard work and energy you put into your institution.

I congratulate 'You' the teachers who love to teach and do so with all their heart and soul to provide the students with necessary, inspiring, beautiful and meaningful lessons of life. I appreciate 'You' the teachers who empower the students and ignite their passions and help them achieve their success on their own terms.

I congratulate 'You' the staff who are always ready to lend patient hearing to the students. I appreciate 'You' the staff who are so passionate about delivering service to the students.

Thank you 'all the Teachers and Staff' for being willing to work beyond working hours as when required by the college. Thank you all for adopting patience, honesty, courage, perseverance, wisdom, responsibility, generosity and commitment to lifelong learning while fulfilling your responsibilities as teachers or staff.

Let us make this Academic Session (2017-18) more colourful than the last year. Let us go ahead towards new and innovative ways to reach the students and improve their (academic & extra-curricular) performance.
